Award Winning Canadian Painter

*I create images that you will recognize-many Georgian Bay and Pickerel River scenes. Recent travels have inspired me to paint my favourite scenes of Tuscany and the Virgin Islands."*

***The OFAA welcomes you for an evening with "Cathy Boyd"***

***November 24<sup>th</sup>. At OMAH 3<sup>rd</sup>. floor from 7 to 8***

**Cathy Boyd** is a self-taught artist and lives, works and instructs art in her studio on the shores of Georgian Bay near Midland, Ontario. She also instructs at various art clubs and community colleges. Her oil paintings, sometimes realistic, sometimes abstract-impressionist in style, explore the often-overlooked little worlds around us. Diverse in subject matter and execution, her wide array of landscapes and still life are "at once beautiful and contemplative." Cathy has shown in numerous galleries throughout Ontario, NYC and had a recent residency in Romania. The latter will be shown in NYC at Dacia Gallery. Cathy has participated in a group show in New York City at the prestigious Agora Art Gallery. Visit her website: [cathyboydfineart.com](http://cathyboydfineart.com) to see her work and selected work of her students.

Enjoy!
